

PROPOSAL REQUIREMENTS: - Project 3

Group 2: Kerry Oostdyk, Misha Mambully Muralidharan, Alison McCondichie, William Berry

- We chose to explore UFO Sightings:
 - <https://www.kaggle.com/datasets/jonwright13/ufo-sightings-around-the-world-better>
 - We chose this unique dataset because we were curious about UFO sightings and what trends there are in the data.
- Inspiration - other code/articles similar to your dataset. Other dashboards?
